Take a second look! What an amazing value in the heart of Bennett Valley, this one is just about perfect in so many ways. Meticulously maintained and beautifully updated over time, you can move right in or re-design to your taste. 4 bedrooms, 2 1/2 bath, 2394 square feet. Gorgeous park-like backyard, 500 square foot upper deck, large pantry, primary bedroom with 18" long walk-in closet, tons of storage, grand foyer, solid surface counter tops, new appliances, and paid-for solar! The large lot includes space enough for RV parking and gardening; there's even room for a pool or an ADU! Backs to tree-lined Summerfield Rd with no rear neighbors. Close to restaurants, shopping, Strawberry Elementary School, Howarth and Galvin Parks, and the Bennett Valley Golf Course. Newer 50-year roof and gutters (2008), meticulously maintained inside and out, this home will surely jump to the top of your Best-Buy list.
